The DCCA is embarking on a new adventure. We will be working toward a new gallery arrangement to help further art and artists in the Dodge County Area. We will be opening up the main gallery space to all artists, young and old to display and sell their art.

### What We Need From You

- ◆ Be an existing member of the DCCA in good standing
- ◆ Your original art, framed and ready to hang, or ready to be displayed
- ◆ A tag for the front, either to attach to your art or to the wall clearly stating the name of the art piece and the price
- ◆ A list of all your art pieces that match the art and price for each
- ◆ The ability to hang your own art

### What We Will Do

- ◆ Display your art during our opening hours
- ◆ Sell your art at the price you specify
- ◆ Take only a 30% commission
- ◆ Pay any local and state sales tax
- ◆ Inform you when your items sell so you can bring in new items
- ◆ Notify you if items have not sold, to allow you to change items
- ◆ Promote your items on our website and social media
