COVID-19 Update

We are still closed as we learn more about the Corona Virus and how it impacts everyone. We will keep you posted as we work on ways to open and keep everyone safe. The safety of our volunteers, members, patrons and our community is important to us.

Radiothon

We are honored to be part of the Children's Radiothon again this year. The Radiothon will be 27 straight hours starting on June 18th. Obviously the format has had to change with everything that is happening, but Good Karma is adapting, as we all are. Make sure to call in and bid often. The Dodge County Center for the Arts will be on the radio from 9-10 pm on June 18th. We have some baskets donated by Jan Richardson. If you would like to donate to the Radiothon, or items for us to auction, please send us an email or give us a call.

To support the Radiothon, there was a drive-through spaghetti dinner at Bayside from 3-7 pm on June 14th, and a fundraiser at the Fox Lake Golf Course Wednesday, June 10th. 10% of the proceeds from the golf outing will go to the 2020 WBEV/95X Children's Radiothon. Hope you could attend! Noel's Angel Walk will be a "virtual walk". More details about these and other events/specials during the Children's Radiothon can be found on [Daily Dodge at dailydodge.com/radiothon/radiothon-schedule/](http://DailyDodge.com/radiothon/radiothon-schedule/)

Membership

We fell behind in sending out renewal notices for our membership for 2020. Help us continue the Arts in Dodge County by renewing your membership. Not sure about your membership? Give us a call, or send us an email.

Nancy Zieman Exhibit

It was sad that we had to close this amazing exhibit early. We will be working on a "virtual tour" from photos and videos shot before the exhibit was taken down. Our special thanks to Rich Zieman, Deanna Springer and everyone who brought this exhibit to life. We still have copies of Rich Zieman's book "Nancy Zieman, the Rest of the Story" available at the DCCA. Rich has graciously donated all the proceeds from the book sale to the DCCA. Call or email if you didn't get a chance to purchase a copy, but would like one now.

Work Continues Outside

Our tireless volunteers are hard at working keeping the outward appearance of the DCCA tidy and inviting for the day we can open again.

Updates from the DCCA...Continued

Work Inside Is Also Underway

When we opened last spring, we were on a whirlwind of setting up shows in our new home. That didn't leave us much time for building updates other than emergency or necessary repairs and updates. Our volunteers and board members are working toward reopening soon by making major improvements to the inside. We are moving the board room to the lower level to give us more exhibit space. There has been some painting and a new hanging system will be installed.

YOU CAN HELP!

There are a million (well, almost a million) things to do and now is the perfect time to get all the work out of the way. We can use help in so many areas. If you want to give us some of your time, we can find a way to have you help us safely. The Board is currently doing most of the work with the help of some of our volunteers and Chuck V. who has been working tirelessly to fix and help us repurpose rooms.

Some of the things we need help with include:

| | | | |
|-----------------|------------------|-------------|-----------------|
| Painting inside | Painting Outside | Lawn Care | Lawn Mowing |
| Cleaning Inside | Cleaning Outside | Carpentry | Filing |
| Board Members | Book Sale | Landscaping | Electrical Work |

give us a call at (920) 341-6278 or email info@bdaaa.org.

Donation

Thank you to American Bank for applying for a grant to help local businesses during the Covid-19 crisis. We were a lucky recipient of some of those funds. Again, thank you!

Book/Rummage Sale

The book sale has been rescheduled for June 26th and 27th as part of the downtown sidewalk/rummage sale. Keep you eyes open for details. If you want to volunteer to sort books, sell books or even have books you want to donate, give us a call or send us an email.

Calling all Artists

Beaver Dam's new Public Redevelopment Space on the corner of Front & Center will feature a 6 ft. fiber glass Beaver. Local artists are invited to consider drawing a design as to what they would like to see the Beaver look like. Please submit both a front and back view of the Beaver. A committee will select the design that will be used. The selected design will be sent to the manufacturer and "Our Beaver" will be made. Individuals interested in submitting a rendering of a Beaver need to email their concept by midnight, Wednesday, July 1, 2020 to Mary Vogl-Rauscher at mvoglrauscher@cityofbeaverdam.com.

The Fence

We are putting up a fence in the parking lot as a fundraiser for the DCCA by inviting DCCA members as well as community members to paint individual boards. For a \$25 donation per board, you can add your flavor to our community. We will also have some "scholarships" available for those who cannot afford the \$25. More details soon!
