

## Holiday Gift Gallery

This Friday is the opening of our Holiday Gift Gallery. We will be practicing safe social distancing and requiring masks for all visitors and volunteers. Hours will be from noon to 6 pm Wednesdays through Sundays starting November 20th. Due to the current conditions, there will be no opening reception.

## Special Guest Gallery

Our board members and volunteers have been working wonders at the DCCA over the past few months. We have succeeded in making the two back rooms (the former office and board rooms) into guest show rooms. We are honored to have Frank Mittelstadt as our first show in the new rooms.

## Plein Air Festival

Thank you to everyone who participated in the 2020 Plein Air Festival. We had many participants as well as visitors. The art created in just three days was amazing. Thomas Buchs also offered up some great plein air art of his own as well as a well received plein air demonstration. Congratulations to Larry Schultz, the winner of the Peoples Choice Award and Carolyn Larkin the winner of the Artists Choice award. Mark your calendars for August of 2021 as we will repeat this awesome project.

## Paint the Fence

The response to our Paint the Fence project was overwhelming. We have artists of all ages and abilities representing our Dodge County area with some awesome work. Many of the boards have been installed during the Downtown Fall Fest with the help of our handy man Chuck V., our volunteers and board members who also handed out "Make a Ghost" kits for trick-or-treaters. Stop down & check it out!

## Thank You

Thank you to everyone who has helped us, donating time and effort to make the DCCA a better place. Including the innumerable hours put in by Chuck V., Chuck F., and every volunteer and board member. We would also like to thank the Hicks Foundation, Good Karma (Children's Radiothon), John and Marge Haider and others for their generous donations.

## The Kids are the Future

We're still looking for volunteers and board members, but just as importantly we are looking for those willing to help design programs based around the youth of our area. Whether that be non-touch projects or virtual projects, we would love to hear your ideas and have you help.
