Updates from the BDAAA

We are often asked for updates about what has been happening at the BDAAA since our relocation downtown. The Board realized that we have fallen behind in communicating to our friends, supporters, patrons and the community. After the last board meeting, we have decided 2019 might be good time to start catching up.

Where we are today

Using feedback from our public meeting earlier in 2018, the Board has been meeting frequently to determine our direction. We have worked out a mission and vision statement that you can see below. Stay tuned for more updates as we work out the details. If you want to volunteer to help, or be on the board, please feel free to contact us at any time and let us know.

Our location

The Board made the decision to leave the Seippel Homestead last year. Since that time, the Seippels have decided to open a music studio and have discontinued their support of the BDAAA. From now on we are on our own! We wish to say thank you to the Seippels for the years of support and wish them well in their new endeavors.

Our current location is a nice start, unfortunately Nunatak Coffee will be expanding, so we will be relocating again soon. This has lead the board to question everything the BDAAA has been doing for the last 52 years.

Where do we go from here?

We are continuing to meet, and our newest board members Ruth and Bob have been a great support. The Board is reevaluating our mission and making 1, 3 and 5-year plans that set priorities for the future of BDAAA. We hope to have some clear direction in the coming months before we move again.

How can you help?

We will be sending out surveys via email and on our website soon to help narrow down our direction. If you want to volunteer, donate, join us on the board of directors, or just give us some feedback, contact us at (920) 341-6278 or email us at info@bdaaa.org
